Appeal Explanation:

In reference to proceeding, CC Docket No. 02-6, The Match Charter Public School would like to seek reconsideration of the denial of our previous appeals for an invoice deadline waiver request.

Due to a major staff transition and reconstruction of our Information Technology department, The Match Charter Public School was unable to submit the necessary BEAR forms needed for retrieval of 2016-2017 reimbursement funds. The Match Charter Public School is requesting to receive at minimum, partial reimbursement for the school's 2016-2017 committed and approved funding.

On September 28, 2017 at around 3:30pm EDT a Match IT employee called the USAC ERATE customer service line to inquire about outstanding ERATE forms. To the employee's recollection the USAC representative did not disclose FRNs 1699024812 or 1699025181 as outstanding. Instead, the USAC representative provided FRNs 1799011710 and 1799011863 as outstanding which required the filling of Form 486 and BEAR forms to receive reimbursement. Attached is a screenshot of an email sent from USAC referencing the call.

Sincerely,

Seree Fofana,

Seree Fofana, Match Charter Public School, Information Technology
